

Veterinary Education Transfer Services Ltd (November 2010)

“Lameness in Dairy Cattle” Fifth Edition by Neil Chesterton BVSc (2008) Cost \$15

A booklet on lameness covering the situation in pasture fed dairy cattle in New Zealand. This fifth edition booklet is an updated slightly expanded version of the previous editions.

“Patologías podales en vacas lecheras” Edición Internacional por Neil Chesterton BVSc.
Costo \$15

Un folleto sobre la renguera en rodeos lecheros, en sistema de alimentación a pasto en Nueva Zelanda, pero aplicable a rodeos lecheros que usen sistema de alimentación a base de pasto durante cualquier periodo del año y en cualquier parte. Este folleto edición internacional es una versión actualizada y levemente expandida a la anterior.

“Lameness Management in the Dairy Herd” with Neil Chesterton BVSc. (2007) Cost \$225

(New: Now also includes a Spanish Subtitles option)

For farmers, veterinarians, staff training. (“Lameness in Dairy Cattle” Booklet included with each set)

A 4 DVD set in 6 sections:

<i>1. The Cost of Lameness</i>	<i>4. Track Design</i>
<i>2. Facilities and Equipment</i>	<i>5. Shed Design</i>
<i>3. Treatment</i>	<i>6. Management of the Herd</i>

This is an upgraded, revised version of the 2000 video and adds a large amount of material to section 4, making it more suitable for training in herd management. It contains the latest recommendations on the management of dairy cattle on the track and in the yard with particular emphasis on the correct use of backing gates and top gates.

Note: Section 6 (2007) from the above set is available separately to owners of the 3 DVD (2000 edition) video set who wish to just update the herd management section. Cost \$60

Special Price for orders of 5 or more DVD sets: New Zealand : \$190 ea (post still included)

Overseas : \$185 ea (please ask about postage,
packaging and customs costs eg for 10 DVD sets to
Australia the cost would be approximately NZD \$90)
